Mobile Food Vendor Permit Application

Expectations

- 1) Staff working in the field shall retain a copy of the current permit issued to the company.
- 2) Systems shall be inspected and cleaned in accordance with applicable codes and standards.
- 3) MFV shall retain reports, photos, and associated documents for not less than three years.
- 4) Service stickers must be marked appropriately, contain all required information, and will be placed on each hood.

Review Process

Submit all documents listed above (Making up the MFV operational permit application) to the Orangeburg County Fire District at 131 Firefighter Lane Orangeburg, SC 29115 or via E-mail to fire@orangeburgcounty.org.

Once all the required documents have been reviewed and approved, a field inspection will be scheduled. The permit will be issued after vehicle and/or trailer has passed inspection.

Request for review and permit

I understand and agree that this permit is for authorization for the time period identified on this permit and the permit remains the property of Orangeburg County Fire District. By signing below I certify that I am an authorized agent for the company performing the work stated above, appropriately trained and qualified for the scope of work proposed, and all information provided is true and correct. I understand that if any information provided is found to be incorrect or falsely stated that any permits granted from this application are immediately null and void. I understand that any deviation of work made without written approval subsequent to the issuance of the permit shall constitute grounds for revocation of such permit and that all work is subject to field inspections. Permit void if work is not started within six months of the date of issue or if work stops for a period of six months. All permits expire 365 days from the date of their issuance, unless revoked or suspended.
